

Emily's Kitchen & Garden Café and Catering follows the same high-quality standards set by Mt. Carmel Health, Wellness & Community Center. In operation for nearly four years, our goal is to serve delicious food, in an impeccable environment, with superior customer service! Our staff has over 30 years combined education and experience in the food industry and will make your event an unforgettable memory. Look over our menu selections and know that everything you see is made from scratch in our kitchens...made with a passion for food.

Whether your event is for 20 or 120, our experienced staff will provide exceptional hospitality that focuses on quality, reliability and attention to detail so you can relax and enjoy your event.

We offer you a variety of options including seated dinners, themed buffets, hors d'oeuvres, lunch buffets, or breakfast buffet meetings, off premise catering or In-House events.

Our bartender is experienced and friendly, and our bar options include a variety of beer and wines including our very own Mt. Carmel White and Red Wines.

Mt. Carmel offers the perfect event setting, from intimate to extravagant, and is ideal for rehearsal dinners, anniversaries, bridal and baby showers, wedding receptions, memorials, corporate dinners, and more.

We have 2 private and 2 semi-private rooms boasting warm, cozy fireplaces, HDTVs and state of the art AV equipment on all 3 main floors to accommodate your corporate or small office meetings, webinars, and community presentations.

Legacy Hall has a beautiful in-house bar, holds up to 30 guests and is great for social gatherings.

Ziccardi Hall is our grandest venue and one of the most magnificent and distinguished event destinations in our area. The Hall can be transformed to suit most any event up to 120 people.

The Garden View Room is our most versatile venue and can be expanded to include additional space in the café or opened up to include Emily's Bel Fiore Garden, our lush, landscaped courtyard situated in the center of the campus.

The Mezzanine, overlooking the chapel, holds up to 12 guests and is ideal for small breakfast or lunch meetings.

In addition, our stage and West Parking area, highlighted by a waterfall fountain which offers serene sounds of cascading water, can be transformed into the perfect outside venue during the summer months.
